EMPLOYMENT

Associate Professor	LBJ School of Public Affairs University of Texas, Austin Affiliations and courtesy appointments: <ul style="list-style-type: none">• Center for Health and Social Policy• Statistics and Data Science• Population Research Center• Sociology	2016-
Assistant Professor	LBJ School of Public Affairs University of Texas, Austin	2010-2015
Data scientist	JPMorgan Chase and CheckFree Corp, Fraud detection and Risk management.	2006-2010
Statistician	Department of Sociology Initiative in Population Research Ohio State University.	2002-2006
Postdoc	Cognitive and Systematic Musicology Lab Ohio State University,.	1998-2001

EDUCATION

Ph.D., Sociology	Ohio State University	2010
M.S., Statistics	Ohio State University	2001
Ph.D., Music cognition	Stanford University	1998
B.A., Music	Yale University	1990

GRANTS AND CONTRACTS

Extramural

<i>Source</i>	<i>Role</i>	<i>Other investigators</i>	<i>Years active</i>	<i>Amount</i>
Russell Sage Foundation	PI	Doug Downey (co-I), Joe Workman (consultant)	2016-18	\$100,000
W.T. Grant Foundation	PI		2016-17	\$25,000
W.T. Grant Foundation	PI	Doug Downey (co-I)	2013-16	\$300,000
St. David's Foundation	PI		2013-14	\$25,000

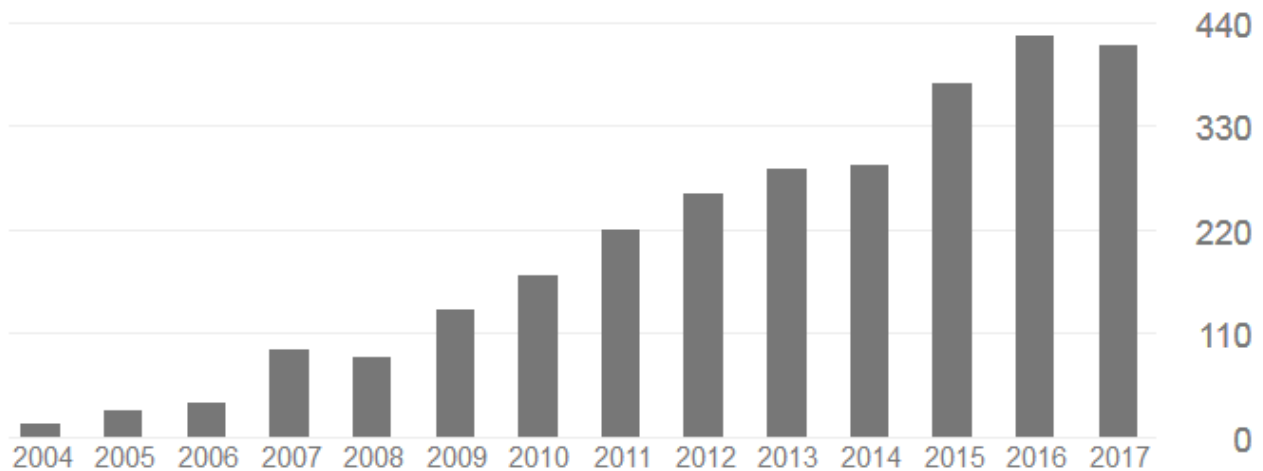

Center on Poverty and Inequality, PI Stanford University			2013	\$20,000
Texas Education Association	Co-I	Cynthia Osborne (PI), Jane Lincove (co-I)	2010-12	\$2,200,000
Spencer Foundation	Co-I	Doug Downey (PI)	2005-06	\$100,000

Intramural (University of Texas, Austin)

<i>Source</i>	<i>Role</i>	<i>Other investigators</i>	<i>Years active</i>	<i>Amount</i>
Policy Research Institute (PRI)	PI		2012-13 14-15 15-16, 16-17	\$15,000/ year

3. von Hippel, P.T. (2002) Four entries in the *Encyclopedia of Social Science Research Methods* (M. Lewis-Beck, A. Bryman, T.F. Liao, eds.). Thousand Oaks, CA: Sage.
 - a. “Critical value.”
 - b. “Difference of proportions.”
 - c. “Expected value.”
 - d. “Normalization.”

Articles under review

Initial submissions

1. Downey, D.B., Workman, J., & von Hippel, P.T. “Socioeconomic, racial, and gender gaps in children’s social/behavioral skills: Do they grow faster in school or out?” Submitted August 2017 to *American Journal of Sociology*.
2. von Hippel, P. T., & Hamrock, C. “Do test score gaps grow before, during, or between the school years? Measurement artifacts and what we can know in spite of them.” Submitted December 2017 to *Journal of Educational Psychology*.
3. Quezada Hofflinger, A., & von Hippel, P.T. “Rising test scores in Chile: School choice, school resources, or family resources?” Submitted November 29, 2017 to *Sociology of Education*.

Revisions requested

1. von Hippel, P.T. (2016). “Maximum likelihood multiple imputation: Faster, more efficient imputation without posterior draws.” Submitted May 2017 to *Statistical Science*. Revision requested November 2017. Also available as *arXiv* e-print [1210.0870](https://arxiv.org/abs/1210.0870).
2. Quezada Hofflinger, A. & von Hippel, P.T. “The response to high stakes testing in Chile, 2005-2013: Legitimate and illegitimate ways to raise test scores.” Submitted January 2017 to *Journal of Policy Analysis and Management*. Revision requested June 2017.
3. von Hippel, P.T., Zheng, J., & Olmstead, S. “Suicide and lithium in the water supply of 870 US counties.” Submitted March 2017 to *British Journal of Psychiatry*. Revision requested June 2017.

Ready to submit.

1. von Hippel, P.T., Workman, J., & Downey, D.B. “Are schools (still) a great equalizer? Replicating a summer learning study with better test scores and a new cohort of children.” Will submit January 2018 to *Sociology of Education*.

Work in preparation

Books

Allison, P.D. & von Hippel, P.T. (2018, expected). *Missing Data*. Sage.

Articles

- von Hippel, P. T. & Frisvold, D. “Have state increases in required physical education curbed obesity?” Planned submission to *American Journal of Public Health*.
- Graves, J. & von Hippel, P.T. “The effect of year-round school calendars on obesity and fitness in California.” Planned submission to *American Journal of Public Health*.

- von Hippel, P.T., Bohnert, A., Brazendale, K., & Rouse, K. “The effect of year-round school calendars on summer weight gain and obesity.” Planned submission to *American Journal of Public Health*.
- von Hippel, P. T., Sparks, C., & †Pattison, E. “Why are some US counties more obese than others—environment or demographics?” Planned submission to *Social Science and Medicine*.
- von Hippel, P.T. “Why good work gets rejected and bad work rarely improves: Simulations of scientific peer review.” Invited submission to *Socius*.
- von Hippel, P. T. & Wagner, C. “Does a successful experiment lead to effective policy? What really happened in Tennessee after Project STAR.” Planned submission to *Education Finance and Policy*.

Government reports

Osborne, C., Lincove, J. von Hippel, P.T., Mills, N., Dillon, A., Bellows, L. (2012). *Educator Preparation Programs' Influence on Student Achievement*. Report to the Texas Education Agency. Austin, TX: Project on Educator Effectiveness and Quality (PEEQ).

Research briefs

"Summertime and weight gain." (2007). Center for Summer Learning, Baltimore, MD.

Software

1. von Hippel, P.T. (2017). "The `%recommended_imputations` macro for SAS." This recommends the number of imputations to use in multiple imputation analysis, using the two-step recipe described by von Hippel (2017).
2. Bellows, L., & von Hippel, P.T. (2017). "[The `caterpillar` command for Stata](#)." This estimates heterogeneity statistically and graphically, as described by von Hippel & Bellows (2017).
3. Duan, Y., & von Hippel, P.T. (2016). "[The `mgbe` command for Stata](#)." This estimates income statistics by fitting parametric distributions to binned income data, as described von Hippel, Scarpino, and Holas (2016).
4. von Hippel, P.T. & Powers, D.E. (2015, version 2 in 2017). "[The `rpme` command for Stata](#)." This estimates income statistics from binned income data, using the robust midpoint approximation described by von Hippel, Scarpino, and Holas (2015) and von Hippel, Hunter, and Drown (2017).
5. Scarpino, S., von Hippel, P.T., & Holas, I. (2014). "[The `binequality` package for R](#)." This estimates income statistics by fitting parametric distributions to binned income data, as described von Hippel, Scarpino, and Holas (2016).
6. von Hippel, P.T. (2007). "The `%mid` macro for SAS." This implements the multiple imputation with deletion (MID) method developed by von Hippel (2007). The macro is in that article's Appendix.

Music data

1. London, J., von Hippel, P.T., Huron, D., Cartano, J., Kingery, K., Olsen, B., & Santelli, T. (2001). "Row forms in the serial works of Schoenberg, Berg, and Webern." Stanford, CA: Center for Computer Assisted Research in the Humanities (www.ccarh.org/publications/data/humdrum/tonerow).

AWARDS

Major

- Winner (one of 5), annual *Obesity* Journal Symposium. 2016
The Obesity Society.
(For “From Kindergarten Through 2nd Grade, US Children’s Obesity Prevalence Grows Only During Summer Vacations.”)
- James Coleman Award for best article in the past two years. 2009
Education section, American Sociological Association.
(For “Are ‘Failing’ Schools Really Failing?”)
- Clifford Clogg Award for year’s best article by a graduate student. 2007
Methodology section, American Sociological Association.
(For “Regression with Missing Ys.”)
- Willard Waller Award for best article in the past three years. 2005
Education section, American Sociological Association.
(For “Are Schools the Great Equalizer?”)

Minor

- Best poster award, Population Association of America. 2012
(For “Why are educated adults slim?”)
- Kingsbury Data Center Award. 2010
Northwest Evaluation Association.
- Lieberman Dissertation Fellowship, Stanford University. 1996-7
Awarded to eleven students in a university-wide competition.
- Centennial Teaching Assistant Award, Stanford University. 1995
- Bing Teaching Initiative Grants, Stanford University. 1994
1995

PRESENTATIONS

Conferences (†session organizer)

- Association for Public Policy Analysis and Management (APPAM) 2015†, 2017
- American Sociological Association 2004,05,07,11-14,16†, 17
- Population Association of America 2012, 2015
- Association for Education Finance and Policy 2013, 2014
- Joint Statistical Meetings 2013, 17†
- Sociology of Education Association 2010
- American Education Research Association 2008
- Midwinter Methods Meeting (American Sociological Association) 2008
- International Congress for School Effectiveness and Improvement 2006
- Consortium of State Organizations for Texas Teacher Education 2014
- Texas GIS Forum 2012

Invited Lectures

- “Rising test scores in Chile:
School competition, school resources, or family resources?” (in Spanish) 2017
- Center for Social Science, Universidad de la Frontera, Chile.
- “How Equal are Schools?” 2016
- Duke University, Department of Sociology.
- “Do achievement gaps open before, during, or between the school years?”
- UCLA, Sociology Department. 2016
 - NYU, Steinhardt School 2016
 - RAND Corporation, Washington DC. 2015
 - Harvard University, Graduate School of Education. 2014
- “Maximum likelihood multiple imputation.”
- Harvard University, Institute for Quantitative Social Science 2017
 - UCLA, Statistics Department 2016
 - University of Texas, McCombs School of Business 2016
 - Stanford University, Biostatistics Seminar. 2013
- “Estimating inequality from binned incomes.”
- Harvard University, Kennedy School. 2017
 - Stanford University, Center for Poverty and Inequality. 2013
- “Have Schools Made US Children Overweight?”
- Wright State University, School of Medicine. 2013
 - National Center for Summer Learning, Pittsburgh PA. 2012
 - Ohio State University, Department of Sociology. 2010
 - Pennsylvania State University, Department of Sociology. 2009
 - Notre Dame, Department of Sociology. 2009
 - Rice University, Department of Sociology. 2009
