2. A letter from the agency confirming the internship agreement and indicating the staff person who will provide supervision.
3. A one-page narrative describing the nature of your internship and its relevance to your future goals.
4. A copy of your current resume.

Eligibility Requirements

1. A student must have an approved internship prior to applying for a fellowship award. For the Paul L. Leventhal Fellowship, students do not need to have an internship at the time of application.
2. A student is eligible to receive only one LBJ School of Public Affairs fellowship for an internship/policy apprenticeship during the course of his/her studies at the LBJ School.
3. Students who have waived their internship or otherwise completed the internship requirement are not eligible for these awards.
4. Students enrolled in the PhD or EMPL programs are not eligible for these awards.
5. Students must have an established direct deposit bank account to receive an internship fellowship award.
6. Students completing their internships abroad are required to submit travel paperwork and receive travel approval prior to receiving internship funding.
7. If a student receives an internship fellowship for an unpaid internship and switches to a paid internship, the student will be required to reimburse the LBJ School for the full award amount prior to graduating. I understand and agree that my failure to do so may result in a non-financial administrative bar on my student record and this bar may not be lifted until the reimbursement is made.
8. Fellowships are awarded until the funds are exhausted. There are no guarantees of receiving an award.
