**Specialization Requirements – 15 credit hours total (12 credit hours for Business and Law Dual Degrees):**

Course #	Course Title	Smr/Yr Taken	Cr Hrs	Professor

**MGPS Internship Requirement** – All GPS students must complete a 400-hour professional internship with significant global policy content. Note the organization where you completed your internship below:

--

**Foreign Language Proficiency** – A level of proficiency equal to or above the completion of the fourth semester at the college level in one foreign language prior to graduation. International students whose native language is not English are considered to have satisfied this requirement. Proficiency may be also demonstrated via coursework or exam. List below the courses and/or exam taken to satisfy this requirement.

--

**Total Credit Hours Required for MGPS– 37 (34 for Business and Law Dual Degrees)**

**Writing Requirement** – Students are expected to complete a thesis/report/writing component with their adjoining dual degree program where required. Students enrolled in the Law, Business and iSchool dual degree programs must complete a professional report (PA398R) at the LBJ School for three credits in the semester of graduation.

**Electives:** Students pursuing a dual degree do not need to take the nine elective credits for the MGPS program.

**Please note:** Credits for the MGPS program must be “unique hours.” You cannot count courses towards the MGPS program that are taken to satisfy requirements for the other degree. Please consult the dual degree program requirements online at <http://www.utexas.edu/lbj/degreeprograms/mgps/dual>.
